Kathmandu – Nagarkot – Pokhara

About Nepal: The Himalayas or "abode of snow" is in fact the youngest and highest mountain system in the world. Nepal is located on the southern slopes of the Central Himalaya surrounded by India and Tibet. Tourism in Nepal was first promoted only in 1951. Nepal is known for exotic reputation from its incomparable blend of high mountains, rivers and rich Hindu and Buddhist culture. Lush jungles, broad valleys and rolling hills are crowned by the frozen peaks of the central Himalaya. Nepal is also known for an unparalleled concentration of the world's highest mountains, including eight of the world's fourteen 8,000 meter peaks.
